“ **Your ability to manifest success resides not in the intentions you set but in the actions you take. Success is currency!** ”

Randi Levin: Fortune 500 Keynote • Author • Reinvention Influencer

Randi is a nationally recognized transitional life strategist and reinvention expert. She supports women in transition and emerging entrepreneurs in redefining and driving their legacy as a power tool for successfully shifting in-the-moment perspectives in regard to fear, growth, purpose, and success. Randi is a noted and relatable resource on change and transformation. She is an action-oriented coach building upon her 15 years in Corporate America, her tenure as a stay-at-home super mom, and her successful reinvent and pivot as an entrepreneur and sought-after life strategist. She is the creator of The Personal Success Accelerator System and a contributing author in the anthology series *Get RESULTS!* She is widely quoted and featured in top media outlets, and on podcasts and radio. Randi has reinvented her life many times over, making her the transitional coach you want to support you and your audiences in embracing what's next!
